Chikmagalur	16,301	15,054

4. Read Secretary's docket No. 410—L. B. 115-08-9, dated 12th July 1909, calling for the submission of the views of the District Board in the matter of awarding prizes to patels for keeping their villages in a satisfactory sanitary condition.

The Board is unanimously of opinion that the system of granting rewards is not likely to have any effect in improving the sanitation of the villages.

5. Read Secretary's letter No. 12783—L. B. 228-08, dated 18th June 1909, stating that a sum of Rs. 1,000 is required for meeting the District Fund quota towards the proposed construction of quarters for the Hospital Assistant and midwife at Koppa and requesting not to utilize allotments under certain items in the District Fund Budget for 1909-10, until further orders.

The Board is of opinion that with the exception of the provision made for the repairs of the Jodikatte musafirkhana all the other items specified in the Secretary's letter relate to urgent works and are required for them. The provision made for unforeseen expenditure is very small and will be required for appropriations in the course of the year for unexpected demands which may arise. In the present state of the District Fund finances, the Board is absolutely unable to spare any funds for the Koppa Hospital Assistant's quarters though they are fully alive to the necessity for it and it would beg of the Government to relieve the Board from all participation in the cost of the building.

6. Read docket No. 12700- L. B., dated 17th June 1909, from General and Revenue Secretary, calling for certain information in respect of Jodikatte musafirkhana and requesting to be informed whether the District Board are agreeable to hand over the building to Government for any purpose they may consider useful.

The Board is of opinion that the musafirkhana at Jodikatte is not of much use to the public as it is on the railway line five miles only from Birur on the one side and nine miles from Tarikere on the other and that it may be handed over to Government for any purpose for which they may require it.

7. Read letter No. 12402-12—Med. 2-08, dated 10th June 1909, from General and Revenue Secretary, calling for the views of the District Board in the matter of meeting from District Funds the expenses of the treatment of indigent persons bitten by rabid animals if they are residing outside the municipality. The Board is willing to bear the cost of the treatment of indigent persons bitten by rabid animals in the district outside municipalities and sent to the Coonoor Pasteur Institute.

8. Read Government Order No. 111-20—L. B. 200-06-20, dated 5th July 1909, recording the resolution of the District Board regarding the maintenance of Chokkanna's Estate road and Doubla Estate road out of District Funds.
